## COUNTY HOSTS NORTHWEST HOUSEHOLD HAZARDOUS WASTE COLLECTION

Monroe County Executive Jack Doyle today announced that the county's Department of Environmental Services (DES) will join the towns of Clarkson, Sweden and Hamlin, the Village of Brockport, and the Eastman Kodak Company to co-host a Household Hazardous Waste (HHW) collection. The collaborative event is scheduled Saturday, August 11, 2001 from 8:00 a.m. to 1:00 p.m. at the Town of Clarkson Highway Garage, 3623 Lake Road. All drop-offs are by appointment only.

"This collection gives residents the opportunity to dispose of potentially hazardous chemicals in a safe manner, and keeps usable items out of the landfills," said Doyle. "Storing unneeded paints and other chemicals only creates a dangerous situation for children and others living in homes."

In addition, Volunteers of America will be on-site to collect clothing, shoes, housewares and small appliances. Tax receipts will be given for textile donations. The following hazardous materials are acceptable at the mobile HHW drop-off site:

- Products containing mercury, such as thermometers and thermostats
- Pesticides and fertilizers
- Household cleaners
- Wood preservatives and stains
- Oil-base and latex paints
- Chemical drain cleaners
- Thinners, solvents and strippers
- Syringes/sharps
- Pool cleaners and photo chemicals
- Soaps, waxes and cleaners
- Gasoline, kerosene and other flammable products
- Antifreeze, brake and transmission fluids
- Rechargeable (Ni-Cad) and button batteries
- Driveway sealer
